Sri Indu Institute of Pharmacy (SIIP) has a distinct vision and mission that depicts and meets the expectations of all its stakeholders. SIIP has a dedicated and determined team at all levels involved in imparting quality and proficiency centred Pharmacy education and anticipates generating aspirational students to well trained professionals by inculcating ethics, human values, attention and apprehension through updated education, which is the essential at the present scenario.

The Vision and Mission of the institute is:

VISION:

- To inculcate excellence in various fields of Pharmacy and mould the Institution as Centre of Excellence in terms of Academics and Advanced Pharmaceutical Research.
- To evolve into a centre of excellence in Science and Technology through creative and innovative practices in teaching, learning, promoting academic achievement & research excellence to produce internationally accepted, competitive and world class professionals, who are psychologically strong and emotionally balanced imbued with social consciousness and ethical values.

MISSION:

- Committed to impart quality Pharmacy Education and Research for Students to be competent globally.
- To provide high quality academic programs, training activities, research facilities and opportunities supported by incessant “Industry – Institute” interaction which is aimed at promoting Employability, Entrepreneurship, Leadership and Research aptitude among students that can contribute to the economic and technological development of the region, state and the nation.

QUALITY DOGMA:

1. To provide essential organizational infrastructure at all levels for ensuring systematic and ever upgrading level of education in Pharmacy and Research.
2. To encourage Pharmacy students in a way to transform them to proficient and comprehensive pharmacists globally.

3. To train the students beyond the level of class room teaching by conducting skill improvisation oriented Workshops and Certificate Programmes with credits.
4. To organize Community Pharmacy activities viz., Health Awareness Programmes for the local public by organizing Health Camps.
5. To instigate and encompass the students and staff members on eco-friendly practices that changes the work culture of individuals, so as to be dedicative, proactive and disciplined.

The Vision, Mission and the Quality Policy of the institute clearly outlines the Institute's idiosyncratic approach in terms of reaching the expectations of stake holders and addressing the challenges of the vibrant Pharmacy arena through its comprehensive orientation towards Pharmacy education.

The Vision and Mission of the institute are in tune with the intents and outcomes of Pharmaceutical education. Continuous and effective co-ordination amongst all the academic and administrative activities with systematic planning and its effective execution certainly reflects the institutions efforts in achieving its objectives and goals.
